**TAKE WARNING!**

THE V. & T. R. R. CO. ARE ANXIOUS TO  
take due precaution against accidents and  
loss of life resulting from the running of their  
trains, and they take this method of warning pa-  
rents and guardians against the dangers attending  
the too common practice of children playing about  
their cars and locomotives. Those having in charge  
the business of the Company find it impossible to  
persuade boys, who frequent the termini and stop-  
ping places of the road from climbing upon the  
cars and engines; and they will feel themselves  
obliged to resort to more decided measures if these  
annoyances are continued. Recent accidents,  
which are wholly ascribable to the carelessness of  
persons in jumping on and off the cars when in  
motion, should be warning enough in themselves.  
H. M. YERINGTON, Superintendent.  
June 19, 1870. tf
